

## **AMENDMENTS TO THE SPECIFICATION**

Please replace Paragraph [0033] with the following paragraph rewritten in amendment format:

**[0033]** With reference to Figure 4, convertible roof 22 is shown in a stowed position. In the stowed position, first and second roof panels 40, 42 are each positioned in a substantially horizontal manner within storage area 28. First and second roof panels 40, 42 are positioned so that inner surface 50 of first roof panel 40 faces the inner surface 58 of second roof panel 42. In this position, first roof panel 40 covers a portion of second roof panel 42 to provide an ~~anestically~~ aesthetically pleasing appearance. Furthermore, first roof panel 40 is positioned so that outer surface 48 faces outwardly from storage area 28. A portion of outer surface 48 of first roof panel 40 is positioned beneath tonneau cover 32 while a different portion of outer surface 48 of first roof panel 40 is exposed and visible from outside vehicle 20. Outer surface 48 and tonneau cover 32 are generally flush in order to provide an ~~aseetically~~ aesthetically pleasing appearance.
